

Admissions & Enrollment

TADS Admissions & Enrollment easily adapts to the needs of your school. We've streamlined student registration and improved communications with a system that gives you a head start on identifying and recruiting your best student prospects. Plus, our system is easy to use, allowing families to quickly and efficiently meet all of your admissions and enrollment requirements. Our technology, innovation and service makes TADS a great choice for both large and small schools.

Making Your Mark – Your School. Your Identity.

Maintaining your school brand and reputation is critical during the admissions and enrollment process. You've built a reputation in your community and it's important to communicate your institution's values. TADS can help. We provide your school the ability to personalize both paper and online applications with customized content and personalized questions. You can also brand documents with your school's logo or crest which helps strengthen your school's identity within your district.

From Beginning to End.

TADS doesn't just process your school's student applications, we support your admissions and enrollment needs from start to finish. Using our admissions counselor functionality, schools can view inquiries, track submission progress, review essays, evaluate submitted documentation and accept or decline applications. We also collect supporting documentation, admissions and enrollment fees, and follow up with families with incomplete applications. TADS Admissions & Enrollment gives you the tools to streamline your workflow giving you time to connect with families and enable you to grow your school.

YOUR SCHOOL IS FIRST CLASS...

What about your Admissions & Enrollment?

TADS gives you peace of mind. Our system simplifies your admissions and enrollment process and gives you more time to spend with your parents and students.

SERVING SCHOOLS AND FAMILIES

Tools & Technology.

The TADS Admissions & Enrollment system gives you all the tools you need to supercharge your application and registration process. An online interface that's as easy as 1-2-3, customized real-time reporting, fee collection and tracking are just some of the features available through our system. Everything you need is at your fingertips allowing you to focus on family interaction and less on paper pushing.

Customer Service – It's Who We Are.

We don't believe customer service should start with 20 minutes of elevator music. TADS customer service specialists are waiting to help you with whatever you need, when you need it. Answering your questions are what we do best. Whether it's online, in person or on the phone we've got the experience to provide the help you need.

Have Questions?

We want to talk about how our Admissions & Enrollment solution can work for your school. When we talk, be sure to ask for our Features Comparison Worksheet to help you compare us with your current admissions and enrollment system.

Start simplifying your admissions and enrollment management process.

Contact Lindsey at lindsey@tads.com or 800.477.8237 for a walkthrough of our system today!

The Admissions & Enrollment has enhanced our ability to track our families. The reports were easily accessible and I like that it was live and instant, saving us valuable time in updating. Customer service was great and they are very responsive.
