

4 Reasons School Offices are Going Paperless in 2021

1. Reduce Costs

With less resources spent on paper, more can be applied to other needs:

- PPE equipment
- Technology assistance
- Fundraising campaigns

2. Save Time

When information lives in an online, integrated system, your school is:

- Less prone to human errors
- Freed of redundant operations
- Complex tasks are made simple

3. Strengthen Security

Say goodbye to:

- Lost paper checks
- Credit card information on paper
- Unauthorized access to student & staff data

4. Add Convenience

Schools and Families can:

- Access data from anywhere
- Expand reporting capabilities across operations
- Self serve from their own home

Did you know? K-12 Schools are attractive targets for cyber criminals. Tight budgets leave schools underprotected. TADS takes data security seriously. TADS is PCI compliant, SSAE-16 Audited and Red-Flags Ready.
