

Tuition Management Solutions for Schools of All Sizes

Whether you are a private or independent school—small, large, or somewhere in between—we make it easy to find a tuition management solution that fits your mission and goals.

Explore our offerings to find your perfect fit.

Did You Know?

Families are looking for schools that offer digital tuition management. Only 7% of the families at schools that offer online tuition payments are still paying by cash or check.

TADS®

50+ years of experience supporting private schools.

Tuition Management

A complete solution for small to medium-sized private and diocesan schools.

Flexible Payment Options

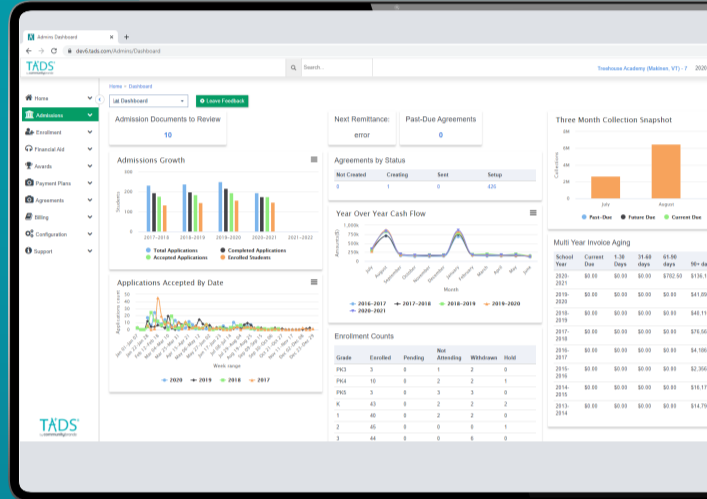

Customized tuition agreements, digital payment options, and auto pay.

Robust Support

The TADS support team follows up with families via phone and email on your behalf.

Full-Service Solution

Pair tuition management with the other TADS modules to form a complete school management solution.
