

# One Connected Platform for K-12 Enrollment

Everything schools need to streamline operations – admissions, contracts, billing, payments, and student data – working as one.

## TADS Admissions

Elevate admissions with easy-to-use tools that reduce administrative work and deliver a better experience for families.

## TADS Contracts & Deposits

Secure enrollment commitments faster with pre-populated contracts, streamlined signing and deposit collection, and real-time tracking.

## TADS Tuition & Billing

Manage tuition, fees, and payments with flexible billing tools that improve financial visibility and streamline collection workflows.

Extend your TADS experience with a student information system designed for life beyond enrollment.

## TADS Educate

Connect every part of the school day – student data, communications, and daily operations – in a flexible SIS designed around your school's needs.

## The Trusted Choice for Private and Independent Schools

# Built for Enrollment & Financial Success

Schools choose TADS because it's optimized to strengthen enrollment, protect revenue, and deliver a better experience for staff and families.

## Operational Efficiency

Reduce manual work with connected workflows that streamline operations for schools and families — from inquiry through tuition management.

## Flexible Tools & Trusted Support

Configure workflows, billing, and communications to fit your school — with a support team that knows private K-12 inside and out.

## Real Financial Visibility

See tuition, billing, and payments in real time across accounts and campuses, with centralized reporting that drives confident decisions.

## Enhanced Family Experience

Deliver one consistent, modern experience across applications, contracts, and payments — the way today's families expect.

## Streamlined Payments Across TADS

Modern payment tools are built into every TADS product to simplify processes, sharpen visibility, and unlock new revenue opportunities.

- Full control over fees, payment options, and agreements
- Real-time payment visibility across accounts
- Simplified reconciliation and daily settlements
- Flexible fees that open new revenue streams

## Unify Your Digital Campus with the TADS Suite
